Epson Stylus DX Series

A range of compact and competent all-in-one products

The Epson Stylus DX range has an all-in-one printing solution for everyone from families to small businesses. Compact and affordable, they all deliver high quality printing, scanning and stand-alone copying.

The beauty is in the detail
It's great fun to print your own standard size 10x15cm photos, but with an Epson Stylus DX all-in-one you can print borderless pictures up to A4 size. And at a print resolution of up to 5760 optimised dpi on suitable media, you can be sure that every detail will really stand out.

Be creative with your images
You can easily manage your images with Epson Creativity Suite software. This is a fun, effective way to send images with emails or upload them to the web for everyone to see. You can do loads more too, like print web pages or edit the size and resolution of your images.

Direct photo printing – no computer required
With selected models in the Epson Stylus DX range, you can print your photos directly from PictBridge or USB DIRECT-PRINT enabled digital cameras and even from popular digital memory cards*.

Key features and benefits

- Efficient printing with 4 individual ink cartridges
- Print sharp text, superb colour and long-lasting photos with Epson DURABrite Ultra inks
- Scan, print, copy and enlarge your photos up to A4
- Create premium quality borderless photos
- Maintain every detail with up to 5760 optimised dpi on suitable media
- Make multiple copies (up to 18cpm) without a computer
- Work fast – print up to 20 pages per minute

Epson Stylus DX4800

Compact, affordable, complete desktop printing solutions

The Epson Stylus DX series has a model to suit everyone from cost-conscious students and families to small businesses. Each offers a huge choice of functions, but takes up very little desk space. You can print out superb quality colour prints that dry instantly and last for years, make copies without ever using a computer, and even scan documents as digital files to save or print.

Convenient individual inks

You only need to replace the ink that runs out with an Epson Stylus DX all-in-one, because they use individual ink cartridges. Replacements are affordable and guarantee maximum quality.

Epson quality stands out every time
Epson DURABrite Ultra gives you the freedom to print on more paper types. Whether you're creating colourful school projects, printing off web pages, or producing your own glossy photos at home, DURABrite Ultra will deliver outstanding results. With DURABrite Ultra your prints will remain vibrant for many years to come. Only Epson offers you DURABrite Ultra ink. Only DURABrite Ultra can do it all.
