EXCEED YOUR VISION

*Epson*  
**Stylus D** Series

A range of superb all round  
inkjet printers from Epson

The Epson Stylus D Series of printers allows you to produce high quality prints at an affordable cost. Ideal for all your printing needs, including photos, you get fast, professional looking results for all your home and business tasks.

**Affordable printers that don't compromise on quality**

The Epson Stylus D Series is a versatile range of all-round printers for your home and business printing needs. Documents and letters will look clean, crisp and professional. Leaflets, flyers, invitations, even birthday cards, are quick and easy to print. You can also use it to print high-quality photos. Not just flexible, the series is economic too, thanks to Epson DURABrite Ultra individual ink cartridges.

**High quality printing**

You get fantastic results printing documents on plain paper or high-quality photos on glossy photo paper that are extremely durable. You can print borderless photos up to A4 size at up to 5760 optimised dpi\*, for finely detailed images, and they dry instantly so you can produce prints quickly without any smudging.

**Advanced ink technology**

The Epson Stylus D Series uses individual ink cartridges so you only have to replace the colour that has run out, reducing wastage and saving money. And Epson DURABrite Ultra ink gives you the freedom to print on more paper types. Whether you're creating colourful school projects, printing off web pages, or producing your own glossy photos at home, you will always get outstanding results, and your prints will remain vibrant for many years to come.

**Easy to use software**

Whatever you print, every job is made easy with Epson Creativity Suite software. The package includes Easy Photo Print which makes editing and printing really quick and simple, Print Image Framer (PIF) that allows you to get more creative with your photos adding fun frames and borders, and Web-To-Print so you can automatically fit web pages to your paper.
