

# Viewing This Guide

You can carry out the following tasks by clicking on these buttons.

Displays the print window.

Searches for text.

Displays or hides bookmarks.

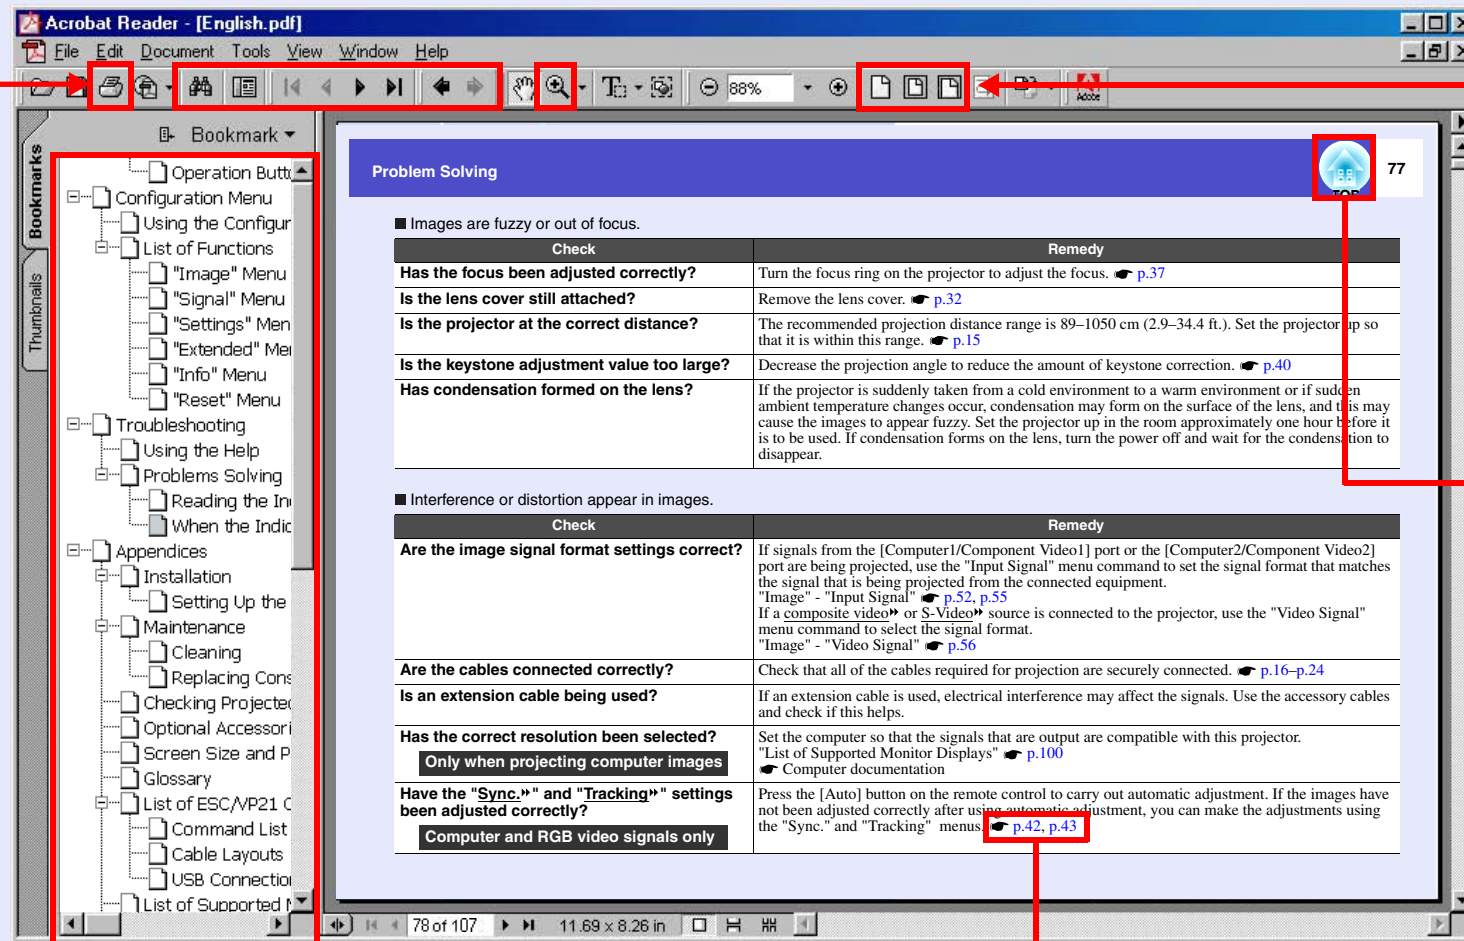

Moves to another page in the document (first/previous/next/last page).

Click to move forward or back to the page that was last displayed. You can use this to return to the page you were viewing if you have jumped to a different page such as a reference page.

Click this button if the text or illustrations are too small to see easily. Move the pointer to the place you want to view and then click the left mouse button to enlarge the document at that place. If you hold down the [Ctrl] key when you click the left mouse button, the document viewing size will be reduced.

[Bookmarks]  
Click on the title of a section to jump to the first page for that section.

Jumps to a page that contains a related topic or a more detailed explanation. When the characters are blue, click to display the reference page or manual.

Displays the page at actual size.

Displays the page at full screen size.

Displays the page so that the width of the page is the same as the width of the window.

Click to jump to the TOP page.
