

# Saving the User's Guide as a PDF File on a Computer

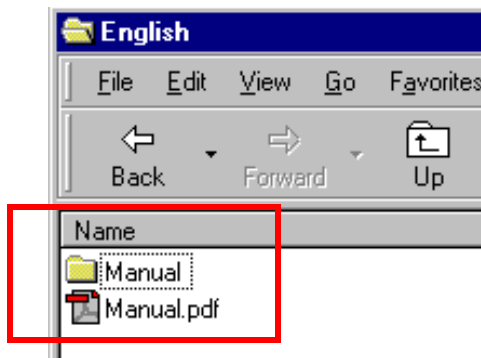

## For Windows

Double-click the "  My Computer" icon on the Desktop. Select the "  Document CD-ROM" icon and then click the right mouse button and select "Open".

Double-click the "  Manual" folder and then double-click the "  English" folder.

The "  Manual" folder and the "  Manual.pdf" file contain the User's Guide data, so copy these to the computer's hard drive and keep them there.

## For Macintosh

Double-click the "  Document CD-ROM" icon on the screen.

Double-click the "  Manual" folder and then double-click the "  English" folder.

The "  Manual" folder and the "  Manual.pdf" file contain the User's Guide data, so copy these to the computer's hard drive and keep them there.
