3. Install the ink cartridges
4. Place the ink cartridges vertically into the cartridge holders. Without applying excessive force, push the ink cartridges down until they click into place. To place them vertically, install the ink cartridges from one end.
5. Close the cartridge cover and the printer cover.

Load paper and check the print head nozzles

Make sure that the computer is turned on. Load paper into the sheet feeder making sure that the side of the paper that you wish to print onto is facing up and that the right edge of the paper is against the right edge guide. Next, slide the left edge guide so that it is against the left edge of the paper.

Once paper is loaded, follow these steps to check the print head nozzles.
